

Enjoy Better, Faster Internet - and the Great Feeling That Comes With Giving Back - with Affinity4 High-Speed DSL Service

Affinity4 introduces its newest product, High-Speed DSL Service, into the marketplace as another way to give back to the charity or ministry you care about most without digging deeper into your pocket.

Norfolk, VA ([PRWeb](#)) June 9, 2008 -- Affinity4 has now made it easier and faster for people to log on to the Internet and help make a difference for their favorite charity or ministry at the same time. With Affinity4's launch of their High-Speed DSL Service, subscribers are able to connect to more than the Internet - they are connected to a world of caring individuals committed to making a difference in our churches, our communities and in our world.

With this new service from Affinity4, qualified customers receive fast maximum connection speeds of up to 3 megabits per second download and 1.5 megabits per second upload for only \$34.95/month, plus all the other features - free parental controls, spam and virus protection, 24/7 free technical support and more - enjoyed by current subscribers of Affinity4's Dial-Up Internet Services including the 10% monthly GiveBack to the consumer's favorite charity or ministry.

"Affinity4 is unlike other leading telecommunications companies in that it allows subscribers to give back 10% of the proceeds to their favorite charity or ministry on a monthly basis. This is why the launch of Affinity4 High-Speed DSL Service is so exciting for us because we can give the consumer what they want - a faster Internet connection - and the consumer will also feel good about their purchase because they know they are helping make this world a better place," said Jeremy McGee, Director of Internet Services at Affinity4.

Affinity4 specializes in fundraising support for charities and ministries throughout the world. As one of the leading affinity-based marketing companies in the nation, Affinity4 has given more than \$75 million to charities and ministries over the past 15 years.

Affinity4's unique 10% GiveBack Program enables customers to raise funds for their favorite organization through purchases of Affinity4's family of services.
