

Keep Your Old Phone, Lose Your Old Phone Company and Start Making a Difference in Our World

Affinity4 Digital Phone Service is a true plug-and-play solution that works with either a DSL or cable connection and can be easily installed within minutes.

Norfolk, VA ([PRWeb](#)) April 16, 2008 -- Affinity4 announced the launch of Affinity4 Digital Phone Service, the first digital phone service that allows its subscribers to help make a difference in the world by giving back 10% of the proceeds to the subscriber's favorite charity or ministry. The new Affinity4 service offers unlimited local and long distance calling for a low monthly cost with additional features such as voicemail, caller id, call waiting, e-fax, and call forwarding all at no extra cost.

"We wanted to give our customers, both present and past, a way to continue to support their favorite charity or ministry even with the maturation of the long distance product and the emergence of cell phones. So when we came across this digital telephony it was a win-win for all," stated Lisa Solis, Senior Product Manager, at Affinity4. "We can continue to give our customers what they deserve -- great service at a low price -- but offer something the competition doesn't -- the 10% GiveBack."

People across the nation can sign-up for Affinity4 Digital Phone Service for an introductory price of \$24.95 for six months and only \$29.95 thereafter and receive unlimited local and long distance calling, as well as, a host of other features which typically are add-ons with other services.

Affinity4 specializes in fundraising support for charities and ministries throughout the world. As one of the largest affinity-based marketing companies in the nation, Affinity4 has given more than \$75 million dollars to charities and ministries over the past 15 years.

Affinity4's unique 10% GiveBack Program enables customers to raise funds for their favorite charity through purchases of Affinity4's family of services.
